

Rules:

Any enrolment for the EcoTrail Valencia® 2022 implies the tacit acceptance of the of the following regulations:

1.1 EVENT

A timed running race through the heart of the countryside, following nice trails of different kind. The distance of the EcoTrail Valencia is 43km. The start is in Ribarroja and the finish line is at Land area between Puente Las Flores and Exposición del Turia Park in Valencia. The route is one single leg, to be run at a free pace. There is a limited time available, coupled with strict enforced cut off at the check points/service points. The start of the race is on Saturday the 29th of October at 15:00 h.

1.2 PARTICIPATION

The race is open for anyone, man or woman, (who at the time of the event is over 18 years old) federated or not.

1.3 TRAIL IN SEMI SELF-SUFFICIENCY

The race is intended to be completed in a self-sufficiency manner. On the course will there be service areas where refreshments will be served. Drinks and food are to be consumed on the spot. Only water (excluding other drinks) can be filled up in flasks and containers.

Each runner must make sure to have sufficient food and water to reach to the next service point.

No personal assistance is authorized on the course outside the refreshment areas set out for this purpose.

Any personal medical or paramedical care is strictly forbidden in case of intention to conclude the race. It is officially forbidden to be supported along the course by any person other than a regularly enrolled competitor.

1.4 ENROLMENT CONDITIONS

To enrol for the Ecotrail Valencia 43 km, you are strongly advised to have participated in and completed minimum a 20km trail race.

All runners are participating in the race at their own risk.

1.5 ACCEPTANCE OF THE REGULATIONS AND OF THE ETHICS

Taking part in the Ecotrail Valencia 43 km®, implies a de facto acceptance without reservations of the current regulations and the ethics of the race published by the organisation. This can be consulted in the section «ethical charter» on the website.

A little bag specifically for collection the participants' rubbish will be handed out to each runner together with their race number. The use of this bag is obligatory, and carrying it will be checked out at the control points. **Any runner caught throwing down rubbish on the course will be disqualified.**

Everyone enrolled undertakes to follow the paths signposted by the organisation, without taking any short-cuts. In fact, short-cutting a path causes an irreversible erosion of the site and thus permanent damage. **Non-respect for this direction will lead to disqualification.**

A large number of dustbins will be placed at each service point and it is obligatory to use these with an approach to a selective sorting of rubbish.

1.6 MAXIMUM NUMBER OF PARTICIPANTS

Trail 80km: 300 people

Trail 43km: 350 people

Trail 20km: 600 people

1.12 ELECTRONIC CHIPS FOR TIMEKEEPING PURPOSES

During the issuing of race numbers, each runner will be given an electronic chip incorporated into the bib number for timekeeping purposes. Each runner is responsible for the good care of the chip. The runner cannot be timed in the following cases:

- not carrying the chip.
- losing the chip.
- damaging the chip.
- unorthodox carrying of the chip.

1.13 RUNNERS BAGS FOR THE FINISH

Each competitor brings their own personal effects bag of 20 litres' capacity (change of clothing, toiletries,...). A sticky label supplied with the race bib must be stuck onto this bag.

The bag can be deposited at a designated area close to the start area (in a van), between 14:00 and 14:30 on Saturday the 29th of October. No runner's bag will be accepted by the organization at other times.

Bag recovery: at the Finish area. The bags are handed back either to the competitor or to those close to him, **uniquely on presentation of the bracelet/bib**. Bags will be handed out until 21:30 h. on the Saturday evening. Beyond this time limit, the runner will have to come and recover his bag, at his own cost, from the Ecotrail Valencia organisers.

Only the bags handed out by the organisation will be taken. As the contents of the bags were not checked, there can be no protest about the contents at the Finish. It is recommended not to put valuable objects in them.

All the bags must be taken back from the association within 15 days after the event, beyond which date they given to charitable organisations.

1.14 SAFETY AND MEDICAL ASSISTANCE

As the route will be different kind of trails and paths accessible to the general public it is imperative that the runners behave in a good manner, respect traffic rules and show respect for nature and everybody you meet during the race!

The event will have a medical director who will manage a team and a device sufficient to guarantee the safety of all runners. The runners will have, on the bib number, the telephone number for any emergency.

The official doctors are authorised to take any competitor unsuited to continue the event out of the race (by invalidating his race number). The organization is authorised to transport those runners whom they consider in danger by any means at their disposal.

Any runner not willing to comply with race- and /or public regulations and instructions from race officials will have to cover themselves all cost in case of damage or recovery patrols.

Any runner contacting or calling the emergency telephone number submits themselves to their authority and undertakes to accept their decisions.

1.15 MEDICAL STAFF AT FINISH

A medical team will be present in Valencia at the finish area to assist runners at their arrival. Access to the “medical area” is only for runners wearing their bib number.

1.16 CONTROL POSTS AND REFRESHMENT AREAS

Control zones have been established at several points along the course. Their position is not communicated by the organisation and the means of control will be specified to the participants during the pre-race briefing.

Only runners carrying a visible race number have access to the aid stations. The road map will identify a precise list of aid points. The aid stations are supplied with drinks and food to eat on the spot and with still water for refilling your bottle or flask.

In addition, there will be a post-race nutrition for all athletes.

1.17 MAXIMUM TIME AUTHORISED AND TIME GATES

The maximum time for the event, for the whole of the course, is fixed at 8 hours. The hour limits from the Start (time gates) of the refreshment zones will be defined and communicated in the road map.

These time gates have been calculated to enable the participants to get to the Finish in the maximum time laid down, while still making possible stops (rest, care...) To be authorised to continue the event, **competitors must set off again from the refreshment zone before the fixed time limit** (whatever their arrival time in the refreshment area).

Any competitor put out of the race and wishing to continue his course can only do so having returned his race number, and must then continue at his own responsibility and in complete autonomy. From then on he can no longer be considered as a finisher. In this case the runner will have to sign a waiver taking back full responsibility for his behavior.

In the case of poor weather conditions and/or for safety reasons, the organisation reserves the right to cancel and/or to stop the race underway, even to modify the time gates in liaison with the prefectures concerned.

1.19 PENALISATION - DISQUALIFICATION

The people of the organization are authorised to check the mandatory material and, more generally, the respect for all the regulations (runners identity, respect for the site and the ethic, illicit help and accompanying, race number not permanently visible to the front...)

Any runner not in possession, during a control along the course, of the totality of his mandatory material will be immediately disqualified, without any possibility of making an appeal against this sanction.

A minimum penalisation of half an hour is applied for any other breach in regulations. The controller tells his post director and/or Race Control and can ask, depending on the seriousness of the act and the behaviour of the runner, for the disqualification of the competitor. The race jury can declare the disqualification of a competitor for any serious breach in the regulations, in particular in the case of:

- not wearing the race number correctly,
- not presenting identity papers or the presentation of identity papers not corresponding to those on the race number being worn,
- not wearing the bracelet,
- not respecting the regulations and laws regulating the use of public roads/paths
- not respecting the instructions given by the control post
- using any means of transport,
- starting off from a refreshment area after the time limit,
- not helping another competitor in difficulty,
- accepting personal assistance outside the official refreshment areas,
- not respecting the rule not to be accompanied along the course,
- pollution or damage to the sites by the competitor or by a member of his team,
- insults, rudeness or threats made during a meeting with any member of the organisation or any volunteer,
- refusal to be examined by a member of the medical staff at any moment in the event,
- drug-taking or refusal to allow a drugs test,
- not carrying the rubbish bag.

1.20 PROTESTS

They can be made by letter in the 60 minutes after the posting of the provisional results.

1.22 THE RACE JURY

This is made up of:

- the organiser,
 - the race director,
 - the coordinator responsible for safety,
 - the director of the medical team,
 - as well as anyone considered competent by the President of the Organisation Committee. The jury is authorised to take decisions within a time limit compatible with the rules of the course on all the disputes or disqualifications which occur during the event. The decisions are without appeal.

1.23 MODIFICATIONS TO THE COURSE OR TIME GATES; CANCELLATION OF THE RACE

The organisation reserves the right to modify the course and the locations of the First Aid and refreshment posts, at any moment and without warning. In the case of really bad weather (strong wind with serious amounts of rain and snow, strong risk of a storm...) the start can be delayed by maximum of two hours, beyond which, the race is cancelled.

In the case of bad weather conditions, and for reasons of safety, the organisation reserves the right to cancel and/or to stop the event underway, even to modify the time gates.

Cancellation, postponement, or modification to the race opens no right to enrolment reimbursement.

Any decision will be taken by a jury bringing together at least the race director, the organiser, and the coordinator responsible for safety as well as any person competent in the eye of the President of the Organisation Committee.

1.24 INSURANCE

Civil liability: The organiser has a civil liability insurance for the duration of the event. This insurance guarantees the financial consequences of its responsibility, of that of its officials and its participants.

Accident insurance: The organization has accident insurance for each of the participants, whether they are federated or not.

1.25 ROAD BOOK

A detailed description of the course will be supplied at the same time as the distribution of the bib numbers. It includes practical information such as the cut offs for the check points, locations of the aid stations as well as all the useful information that may be necessary for the participant.

The road book will be given printed or online format.

1.26 RANKINGS AND REWARDS

Only those runners crossing the finish line will be ranked. No monetary prize will be awarded; all the finishers will receive the same specific gifts

A general male and female ranking and a ranking for each male and female category will be established: the first 3 men and the first 3 women in the general ranking will receive a trophy or a gift.

By "Finisher" one means all the participants reaching the Finishing Line before the cut-off times on October 29th.

1.27 SUPPORT

In the context of the values of solidarity and for the protection of the environment of the EcoTrail Valencia it has seemed natural for the organisation to associate itself with a project for the environment.

1.28 PICTURE RIGHTS

In taking part in the race, each competitor expressly authorises the EcoTrail Valencia (or its assignees) to use and allow to use or to reproduce or allow reproduction of their name, their image, their voice and their sports performance in the context of the race with regard to any direct exploitation or in the form derived from the event and this, in any support, in the whole world, through all known and unknown means to-date, and for the entire duration at present granted to these direct or derived exploitations by the legislative or regulatory dispositions, legal or arbitrary decisions of the whole country as well by international agreements, current or future, allowing for possible extensions which might be made to this duration.

1.29 EQUIPMENT

MANDATORY EQUIPMENT

- Minimum 1 litre water supply.
- Food supply.
- A personal cup or bottle.
- Mobile phone (enter the safety numbers of the organisation into its directory, do not hide its number and do not leave without charged batteries for the mobile phone).
